Exhibitors

Twenty (20) exhibitor spaces are available at the conferences. Cost to exhibit is \$1000.00 for the conference. You may use the Acteva links on the conference web pages to register for exhibit space.

Scholarship Opportunities

The Brain Injury Association of Texas offers the opportunity for you to partner with us in providing scholarships for family members and survivors. Without these scholarships, many members of the Texas Brain Injury Community would not be able to attend the conference and benefit from the knowledge and resources shared by speakers, exhibitors, and fellow attendees. These scholarships allow us to reimburse those in need for travel, lodging and registration for the conference.

You may participate as a Saint partner for \$1,500.00 and receive recognition in all three conference programs as well as an advertisement in 3 upcoming BIATX Newsletters.

You may participate as a Patron partner for \$1,000.00 and receive recognition in the conference Program as well as an advertisement in 2 upcoming BIATX Newsletters.

You may participate as a Booster partner for \$500.00 and receive recognition in the conference Program as well as an advertisement in 1 upcoming BIATX Newsletters.

Here are excerpts from two of the many thanks we received from families who could not have attended the conference without the scholarship funds:

“The benefits and gracious sponsorship given to our family and our beloved Survivor member is beyond words.”

“Thank you so much for allowing us to attend the conference on the stipend (scholarship) grant. We were so moved with all the info and found new leads for our son. It was perfect timing for our son.”
